

Policy on Parental Involvement

1 Introduction

- 1.1 This policy should be read in conjunction with relevant passages in:
- the School Standards and Framework Act 1998, regarding adults working in school;
 - the Human Rights Act (October 2000);
 - the School Development Plan;
 - the Equal Opportunities Policy;
 - the Monitoring and Evaluation Policy;
 - the school's evaluation procedures.
- 1.2 All parents and carers are equally valued as part of our school community. Our parents are automatically 'Friends' of our school. Children's learning is improved when we work in partnership with their parents or carers, and their wider family. We therefore believe in close cooperation with all families, and in regular consultation between the home and the school.

2 Aims and objectives

- 2.1 Our aims through parental involvement are:
- to enhance the learning experiences of all pupils;
 - to encourage parents and carers to be involved in the children's learning;
 - to provide a partnership between home and school, seeking to ensure that families feel welcome and valued;
 - to ensure that maximum use is made of all these adults' skills to enrich learning opportunities.

3 Involvement in the life of the school

- 3.1 Our school is open to parents and carers at all reasonable times.
- 3.2 Families are invited to regular events, activities and celebrations that are organised by the school or the Friends of the School. These occasions provide an opportunity to celebrate success, and a viewing public for a lot of the pupils' work.
- 3.3 Regular newsletters are sent home and curriculum newsletters are sent home half termly. All families receive a copy of and starting schools admissions booklet.
- 3.4 Parents and carers can view much of this written information on the school website.

4 Involvement in children's learning

- 4.1 Parents and carers can talk with teachers after school on an informal basis on most days.
- 4.2 Appointments to see a teacher or the headteacher can be made through the school office, and can be set up for as soon as required in most instances.
- 4.3 There are opportunities for parents and carers to have a formal discussion with their child(ren)'s teacher at Pupil Progress Meetings each term. Teachers value these opportunities to celebrate successes, review learning targets and listen to parental views.

- 4.4 An annual report on each child's academic and personal development is made available in the Summer term. An acknowledgement slip is attached, and parents and carers may request a meeting with the teacher to discuss the contents of the report.
- 4.5 Regular curriculum workshops will be organised to assist parents and carers in supporting their child(ren)'s learning.
- 4.6 Policy documents, schemes of work and National Curriculum guidance are readily available for parents and carers to view.
- 4.7 Curriculum letters are sent to each family at the start of each term, detailing the aspects of learning that each child will undertake, and how families might support that learning, e.g. by visiting museums, galleries, websites, etc.
- 4.8 Home-school log books detail specific daily requirements.
- 4.9 Homework schedules can be found in the front of a child's homework book.
We value parental support regarding the completion of these tasks, many of which contain guidance for helpers.
- 4.10 Parents and carers are invited to our weekly celebration assembly, class assemblies and curriculum sharing assemblies (Music assembly for example).

5 Types of help at school

- 5.1 Each term, through our curriculum newsletters, we invite parents and carers to offer their services at school. For example: if a parent has an interest that links to a curriculum theme.
- 5.2 Parents and carers are invited, where possible, to visit classes and groups of children to give talks or demonstrations on areas of interest in which they are experts.
- 5.4 The governing body will seek parents who are willing to serve as members of the school governing body. These will be elected by other parents and carers.
- 5.5 We value the work of the Friends of Tatham Fells School. This body of parents/carers and school staff works voluntarily to raise money for the school and makes a significant difference to the provision provided for our pupils.

6 Organisational arrangements

- 6.1 We welcome parents to become volunteers in school. If a parent will be working in an unsupervised capacity with children, the Headteacher will request an enhanced criminal disclosure with the DBS team prior to that person's involvement.
- 6.2 Insurance cover will be organised regarding parents' and carers' work at school, but those involved in transporting children in private vehicles will have to check their own insurance arrangements in this regard.
- 6.3 All helpers are asked to sign in and sign out of school when visiting, for security reasons.
- 6.4 All helpers working with children in class are asked to check the purpose and details of the activity, before commencement, by talking with the teacher.
- 6.5 All helpers are asked to inform the school, in advance if possible, should they be unable to attend school at a prearranged time.
- 6.6 All helpers will be reminded of the confidential nature of their work in school.

7 Consultation

- 7.1 Our home-school agreement, signed by pupils, parents/carers and the school, details the responsibilities and expectations of all parties.
- 7.2 The school will make every effort to consult parents and carers, both formally and informally, about their views on school life, children's learning and new initiatives.
- 7.3 Parents or carers of a child with a disability are asked to keep the school fully informed about any relevant issues, so that the school can make all reasonable efforts to meet the requirements of that child.
- 7.4 The school values regular feedback, and will make every effort to act on parents' and carers' views, wherever possible.
- 7.5 Teachers (including the headteacher) can be approached informally before and after school, and will always take careful account of any information forwarded to them.
- 7.6 Periodically, the school will seek parental views more formally, through an annual survey, or a questionnaire on a particular theme.
- 7.7 After an Ofsted inspection, parents and carers will receive a summary of the findings, and later on, they will be sent a summary of the action plan written in response to the report. Pupils will receive a letter from the lead inspector.

8 Monitoring and review

- 8.1 The headteacher will monitor the implementation of this policy, and will submit periodic evaluation reports on its effectiveness to the governing body.
