Roots to Grow, Wings to Fly & Faith to Flourish

25th January 2022

Dear Families,

We have a busy couple of weeks ahead before the half term break. The Y2 children did a fantastic job and had a great time at the KS1 Multiskills Festival last week and were very proud of their silver medals, they worked so well as a team. The Key Stage 2 class are visiting the Museum of Lancashire on Thursday to learn all about life during WW2.

We are pleased to welcome Mrs Speight to our staff team, she will be working as TA in KS1 on Wednesdays. She is looking forward to starting her new role after half term and will still be teaching PE on Fridays.

Please don't forget to join us for our Celebration Worship at 2.45pm on Thursday 3rd February - all are welcome!

KEY STAGE 2 TRIP Thursday 27th January - Lancashire Museum

On Thursday 27th January Key Stage two will be visiting the Museum of Lancashire in Preston, for a day of WW2 activities. The children will be travelling by coach and **will need a packed lunch & water bottle**. Children should wear school uniform and bring a coat. The coach will be leaving school at 8:45 prompt. If your child needs travel sickness medication please make sure they take it before school as we are not able to administer non prescribed medicine. Thank you

COVID GUIDANCE

We have a new email set up for Covid correspondence and to send LFD tests. It is covid@tathamfells.lancs.sch.uk

Covid guidance for this term:

- If your child has Covid symptoms, however mild, keep them home and inform school via the covid email; take a lateral flow test.
- If your child tests positive on a LFD test isolate for 10 days. However, if they have a negative lateral flow test on day 6 and 7 they may return to school.
- Keep school informed if your child tests positive on a LFD – along with the date of symptoms starting and/or a positive test result via the covid email.
- If your child is a 'close contact' at home with a positive Covid case they should stay at home for 5 days and have a lateral flow test on day 5 before returning OR they must test negative on a LFD test each day whilst attending school, for 7 days.
- Parents of children who are classed as medically 'vulnerable' or who live in a household with an immunosuppressed adult are encouraged to contact their GP to discuss/arrange vaccination for the child.

FAMILY PHOTOS

In the hall on our 'Roots to Grow' board, we would like to display a photograph of each family in our community. We would be grateful if you could email a photograph of your family to head@tathamfells.lancs.sch.uk and we will print it out to display. The prints will be in black and white and will stay up after children have left and added to as new families join. Thank you.

LIFE EDUCATION VISIT

The Life Education team will be visiting school on Tuesday 1st February delivering personal, social and health wellbeing sessions. Parents are invited into school at 8.30am to meet the Life Education Educator for a short session to find out more about the content of your child's programme and to ask any questions you may have.
