Home/School Agreement

Pupil's name:

Home-School Agreement between Parents/Carers and School

All pupils benefit from a good relationship between home and school, and at Tatham Fells CE Primary School we are committed to fostering and developing these from the outset.

This agreement formally recognises our responsibilities, and is consistent with the school's behaviour and homework policies.

Children will be made aware of the content of this document when they are sufficiently mature, but all pupils will be made aware of the School Rules and we ask that parents support these.

We look forward to welcoming your child and working in partnership with you to support your child's development and education.
