Roots to Grow, Wings to Fly & Faith to Flourish

May 2022

Dear Families,

Well done to all our Y6 pupils on completing their Sats last week. I think they all quite enjoyed their special breakfasts and quiet time doing tests. Their week was nicely finished off with a kwik cricket competition at Over Kellet. This week Y6 will be visiting the climbing wall in Ingleton for the first of 3 climbing lessons. They will let us know if it is something they think Y6 should do every year.

Thanks to all who came to support the cross country. It was a lovely afternoon and the children ran really well. It was also great to see friends from other schools. I think we might keep the competition at this time each year as the weather is more predictable.

Our Early Years class for Nursery and Reception has now moved into the cabin and we have full day care available on Monday and Tuesdays for children who are 3 years old. If you know any children who may like a place please let us know.

We look forward to seeing you all at our Jubilee Celebration and hope you enjoy the half term break.
